**We at FSIA bring to you some of the action points on the Budget,**

---

**Reg no a must for payment of service, excise tax**

**Delhi** : In a bid to prevent misuse of service tax or excise duty credit, the government will make it mandatory to quote the registration number of the payment of respective levies for availing such credits from next month. The government has amended CENVAT Rules, 2004 in this respect, according to an official release.

So, FSIA members are requested to see that the service providers who give you a bill, must compulsorily give their number

**CBDT to make e-filing of returns compulsory**

**Delhi** : Individual taxpayers, too, soon may have to file returns electronically. The Central Board of Direct taxes (CBDT) is considering a proposal to make electronic filing of income tax returns compulsory for certain class of assesses. “We have taken the power to classify as to who will be filing the returns electronically and once the Budget is passed by Parliament, we will decide,” Anita Kapur, joint secretary (CBDT) said at a post Budget meeting of the Institute of Chartered Accountants of India (ICAI) on Friday.

This is only for the information of the FSIA members. No action required as of now.

**Now, pay FBT in advance**

**Delhi** : TAX payers, from the next Asst year 2008-09 will now have to pay FBT when they make payments for advance tax to the governments. Budget 2007-08 has aligned the due dates for payment of FBT with advance corporate or income tax. Finance Minister P Chidambaram has proposed amendments in the provisions of the FBT which will align the advance FBT payments with corporate tax or personal income tax payments. Earlier, a tax payer had to pay FBT after the completion of the quarter on the amount which was already spent. After the aligning of the dates, he will have to make

advance payment as specified for normal income tax.

### **Service Tax – some good points**

#### **INCREASE IN THRESHOLD EXEMPTION LIMIT FOR SMALL SERVICE PROVIDERS**

The threshold limit of service tax exemption for small service providers is being increased from the present level of Rs.4 lakhs to Rs.8 lakhs with effect from 01.04.2007.

Consequent upon the increase in the threshold exemption limit from Rs. 4 lakh to Rs. 8 lakh, the limit for obtaining service tax registration has also been increased from Rs. 3 lakh to Rs. 7 lakh.

#### **Increase in Penalty amount**

Section 70(1) is being amended to provide the penalty for late filing of return upto Rs. 2000/-

#### **Change in procedure for “amendment of the service tax Registration Certificate**

Provision of getting registration certificate amended has been changed. Now for amendment in RC, original RC would not be required to be submitted

### **Excise– some good points**

Exemption limit under the SSI scheme has been increased from Rs 1 crore to Rs.1.5 crore. This will be effective from 1.4.2007.

So, come-on, FSIA members, this is another reason to grow bigger.
